IDENTIFIERS	*Oklahoma

ABSTRACT

Statistical tables are presented on the 1977 summer session enrollment in Oklahoma higher education. The data show a 3.7 percent increase over the previous year. Of the total enrollment, 88.7 percent was in public colleges and universities and 11.7 percent in private institutions. Information is provided on: full-time equivalent enrollment; senior studerts; male and female students; public and private enrollments; and freshmen students (LBH)

AN ANALYSIS OF ENROLLMENTS IN OKLAHOMA HIGHER EDUCATION
SUMMER SESSION 1977

Main and branch campus enrollments in all Oklahoma colleges totaled 66,056 for the summer session of 1977, an increase of 2,353 students and a percentage increase of 3.7 percent over the same period one year ago. Of the total enrollment, 88.7 percent was in public colleges and universities, while 11.3 percent was in private institutions.

Enrollments in the public system reached a total of 58,568 as compared with the 1976 total of 57,299. The 1977 total was an increase of 1,269 students and a percentage gain of 2.2 over the figure a year ago. The University of Oklahoma enrolled the greatest number of main campus students, 7,947, followed by Central State University with 6,943, Oklahoma State University with 6,378, Oscar Rose Junior College with 4,962 and Tulsa Junior College with 3,621.

The state-supported four-year institutions showing the greatest percentage increase over the 1976 term were Oklahoma Panhandle State University, 39.3 percent and Southwestern Oklahoma State University, 9.5 percent. Among the state-supported two-year institutions, Carl Albert Junior College showed the greatest increase, 33.8 percent.

Full-time-equivalent enrollment in the public sector decreased by 2.4 percent over one year ago, moving down from 45,247 in the 1976 summer term to a total of 44,182 in the 1977 term. The FTE undergraduate enrollment is computed for the summer term by dividing the figure $7\frac{1}{2}$ into the total semester-hours enrolled in by all undergraduate students. The FTE graduate enrollment is computed by dividing the figure $\underline{6}$ into the total semester-hours enrolled in by all graduate students.

Senior students showed the largest increase by class in the public system, going from a total of 7,840 in 1976 to 8,479 for a percentage increase of 8.2 percent. Enrollments at the freshman level increased by 0.4 percent; at the sophomore level, enrollment increased by 4.9 percent; at the junior level, enrollment increased by 0.6 percent; at the professional level, enrollment increased by 0.4 percent; and at the graduate level enrollment decreased by 4.6 percent.

Whereas the number of male students decreased by 3.2 percent as compared with one year ago, the number of females increased by 8.9 percent (between 1976 and 1977). There were 30,571 men and 27,997 women enrolled in public colleges and universities as compared with totals one year ago of 31,591 and 25,708 respectively.

Oklahoma private institutions enrolled a total of 7,488 main campus students in the 1977 summer term, as compared with a total of 6,404 one year ago. The 1977 total showed a numerical increase of 1,084 students and a percentage increase of 16.9 percent as compared with the 1976 summer term. The University of Tulsa led the private institutions with a total of 2,252, followed by Oklahoma City University with 1,599 and the Spartan School of Aeronautics with 1,044.

Full-time-equivalent enrollment in private colleges increased from 4,745 in 1976 to a total of 5,850 in 1977 for a percentage increase of 23.3 percent. Bacone College showed the greatest increase, 22.8 percent, followed by Phillips University, with 7.1 percent.

Freshman students showed the largest increase by class in the private institutions, going from a total of 800 in 1976 to 1,261 in 1977, for a percentage increase of 57.6 percent, followed by a sophomore increase of 46.1 percent. These increases were influenced heavily by the addition of the Spartan School of Aeronautics, which was included in the listing for the first time. Enrollment at the junior level decreased by 9.2 percent; at the senior level, by 1.6 percent; at the professional level, enrollment increased by 4.5 percent; and at the graduate level, by 20.6 percent.

Enrollment of men students at the private institutions increased by 28.6 percent over the total for 1976. The enrollment for women increased by 3.4 percent over the same period. There were 4,421 men and 3,067 women enrolled, as compared with totals one year ago of 3,439 and 2,965 respectively.

This publication was prepared and distributed on authorization of the State Regents as a regular part of the work of the agency. There were 350 copies printed by Allen's Litho Printing Company at a cost of $214.90 (61.4c per copy).
